

WHAT'S THE ECONOMY FOR, ANYWAY ?

John de Graaf of
AFFLUENZA fame
challenges the way
we measure
economic success -
especially
Gross Domestic
Product.

De Graaf's latest film
presents a
humorous, edgy, factual,
timely and
highly visual monologue
about how -
and whether -
The American economy
is succeeding today.

**Talk with John de Graaf,
internationally recognized
film producer.**
