

Northlake Unitarian Universalist Church  
2018 Stewardship Campaign – *Be a Beacon for Love and Justice*

## 2018 Cottage Dinner/Lunch RSVP Response due Sunday, March 25

Each Spring we provide opportunities for Northlake Members and Friends to get together to discuss the Mission and Vision of the church and how we can work together, using our resources of time, talent and treasure, to have a positive impact on the community, enhance the lives of our members and achieve our individual and shared spiritual and philanthropic goals.

As part of the Stewardship Campaign we will request a written pledge of financial support for Northlake for the coming year (July 2018 through June 2019). In addition, you will have an opportunity to tell us about your talents, interests, and willingness to share your time to help us sustain our programs and facilities.

Please answer the following questions and return this form by March 25 so that the Stewardship Team will have time to organize the dinner and lunch groups and give you timely notice of your gathering.
